## PRIVATE EVENT TESTIMONIALS

"The friendly staff anticipated our every need. The setting overlooking downtown Milwaukee was stunning especially as the lights of the city were coming on. The flow of the space as it extended to the outdoor patio was seamless. What a treat for us and our guests to enjoy our food and beverages while gazing out at the skyline. Parking is so convenient. My advice to future patrons is book now because Milwaukee's best private party venue is no longer a secret." - **John Kersey**

"Nō Studios was perfect - from the screening room, to the bar, to the service - you all should be so extremely proud. The bartenders were so personable and happy. The manager was so gracious. Our guests couldn't stop talking about the event." - **Anonymous**

"Nō Studios did not disappoint when we hosted a surprise 60th birthday party. Since I was the person hosting the event, and keeping it a secret from the birthday person, I could not be present during the set up or arrival of our guests. However, the party went just as planned and carried out by the Nō Studios staff. Every detail was taken care of and all of our guests enjoyed themselves in this beautiful venue overlooking the great city of Milwaukee! Thank you for helping me to make this a special event!" - **Dawn Zandt**

"We had the best day ever thank you so much for everything!! It was so smooth and I didn't have to worry about anything. Thank you for being there to ensure everything was seamless! The Bucks win was a cherry on top to a perfect night. We had an amazing view of the fireworks, everyone had a great time. Definitely something we will cherish in our memories for the rest of our lives! I actually want to write them a letter and tell them [the Bucks] how they made our wedding night perfect." - **Kathryn LaRoque**

“Your team has caused us to rethink how we can carry that experience through to future Bijou’s. You’ve set the bar very high.” - *Marvin Mitchell, CMMA Executive Director, Rochester, MN*

“Working with Nō Studios was like working with a partner who was as engaged in our mission as we were - it was obvious from the start that Nō Studios’ team was committed not just to us having a successful event, but to furthering our movement and fighting for justice through this work.” - *Jesse Steele, CASA Director of Development, Baltimore, MD*

“This looks amazing! Started watching WHO WE ARE. Thank you so much. This is really terrific. Look forward to listening to all of them.” - *Janet Pierson, Director of Film SXSW, Austin, TX*
